(Designation) Collector,

Post Box, (Station) Bellary.

Telegraphic Address

To

The Secretary to the Board of Revenue,
Madras.

C. *No.* 6260/37, *dated* 16th June 1938.

Sir,

Assessment - Land Revenue - F.1347 - Dry remission - Hospet taluk - Ittigi and Devasamudram - Shrotriyam village - Proposals.

ENCLOSURES

SPARE COPIES

---:---

(I)

Ittigi and Devasamudram are two Shrotriyam villages situated in the affected zone of Hospet taluk. These wer excluded from the original remission proposals, as no remission was granted for shrotriyam villages in F.1344 - Vide G. O.384 dated 11.2.35 and also on the wrong assessment assumption that Government lands in them were few. The Revenue Divisional Officer, Hospet now reports that the extent of Government lands in Ittigi is 1063 acres and in Devasamudram 900 acres. The crops in these villages failed. The average out-turn of crops is 0.1.9 in Ittigi and 0.3.0 in the other village. The Revenue Divisional Officer Hospet visited Ittigi on 7.6.38 and found that most of the ryots had temporarily migrated from the village to Sandur state or to relief works for labour. These two villages also deserve the concessions granted to the Government villages. I recommend 75% remission be given for both as a special case as similar remission has been given for adjacent government villages.

Please see the letter from the coll[r] of Bellary at pl.y.

2. The average outturn of crops in the two Shrotrium villages of Ittigi and Devasamudram is reported by the D.I.S. and D.S.O. respy.

According to the scale laid down in S.O. 14.5(ii), remission from 75% to 100% may be given for Ittigi village and from 50% to 75% for Devasamudram village.

35/1950 Rev I

The coll[r] states that the adjacent wetland villages have been given 75% remission & recommends the same percentage of remission in respect of the wetland dry lands in the two Shrotrium villages in question.
